

China (Foshan) Thames Valley Business Seminar

Wednesday 28th June 2017

Easthampstead Park - Bracknell

Thames Valley Chamber of Commerce, Bracknell Forest Council and BCC LinkToChina are delighted to be co-hosting a market briefing seminar as part of a CCPIT Foshan delegation market visit to the region. UK businesses will have an opportunity to meet the Foshan delegation and find out more about the wealth of opportunities available to them.

Foshan, located immediately in the western suburb of the provincial capital Guangzhou (Canton), is at the heart of the famous 'World Factory' of Pearl River Delta area and one of the fastest growing cities in China. It is known for its strong manufacturing in sectors such as household, electrical appliance, tool manufacturing, furniture, electronics and communications, stainless steel products, plastic products and ceramics.

Mr Chen Feng, Deputy Secretary-General, People's Government of Foshan Municipality will lead the seminar and provide an insight into business opportunities in Foshan.

Attendees can learn about funding and business support that is available to encourage British business in various sectors to work with the Chinese market.

A Question & Answer section alongside networking will give the delegates an opportunity to engage with the delegation.

09:30 - 13:00
