

International Technology Conference

Thursday 3rd May 2018

Microsoft - Reading

#TVTechConf

Topic: Discover the Latest Technology Trends, Innovation and Entrepreneurship

The highly anticipated annual International Technology Conference, which is now in its fifth year, will explore the latest advances in technologies, showcasing the tools and methodologies needed for succeeding in an ever growing and advanced world.

Series of high-profile expert speakers will review entrepreneurship and innovation through a series of interviews, speaker presentations, case studies and interactive panels. Join the Chamber as it helps businesses map out a successful and lasting journey whilst examining the latest leadership and organisation models to prepare for the future.

09:00 - 16:00

Microsoft UK HQ, Thames Valley Park, Reading, RG6 1WG
