

Market Briefing/Delegation Visit: Bulgaria - IT Sector

Monday 11th June 2018
Cophorne Hotel - Slough

Topic: Bulgaria: The Emerging IT Hub of Europe

Keen to engage with experts from the Bulgarian IT sector? Major experts will be visiting the UK to offer their insight and knowledge to companies from across the Thames Valley.

The Chamber is offering local companies the opportunity to attend a market briefing and networking session with leading Bulgarian IT companies, who will provide an overview of their fast developments and highlight opportunities for your business.

This event will be great for businesses interested in developing links with like minded IT solution providers and discovering the opportunities available. Furthermore this briefing will be beneficial for attendees who are looking for an IT outsourcing partner or to launch a local branch in Bulgaria.
