

Networking Event at the Porter Building

Thursday 6th December 2018

The Porter Building - Slough

Eco-friendly and innovative.

That's what Spaces The Porter Building in Slough is all about.

With a large selection of open-plan offices tailored to personal needs, an inspiring business club where you can hash-out ideas and many private meeting rooms, you can get straight to business..

Located directly opposite Slough Station, across the newly developed part-pedestrianised square, the building provides a new, high-profile landmark that embodies Slough's progressive business nature.

As well as an evening of informal networking, you will also be able to take the opportunity to tour what is officially one of the UK's healthiest offices, which will include the fabulous roof top space.

This event is an ideal opportunity for the Chamber, it's members and other local companies to network, build contacts and create new connections.

18:00 - 20:00
