

The Future of Transport

Wednesday 23rd January 2019

Oxford Bus Company - Oxford

Topic: The Future of Transport

Speakers: Rob Taylor – Local Business Development Manager at Oxford Audi

Phil Southall – MD, Oxford Bus Company (and President of Oxford Chamber Council)

Christian Lucy – Head of Sales, DRIVE

Discover the future of technology within the transport system and how it will have an impact on your business. A range of keynote speakers will deliver talks including the latest technology in a leading German Automotive Manufacturing range, what the future looks like for The Public Transport Industry, new technologies to make “driving” safe, and current autonomous vehicles projects in the region.

And in return for a donation to See Saw (a local charity providing grief support for children and young people in Oxfordshire), delegates will also have the opportunity to drive a bus!
