

West Berkshire Business Breakfast

Wednesday 13th February 2019
Donnington Valley Hotel - Newbury

Topic: Newbury a great place to live & Work?

Speaker: Nick Carter, Chief Executive Officer, West Berkshire District Council

Tim Smith, Business Director, Thames Valley Berkshire LEP Ltd

Newbury is a great place to live with access to the Thames Valley and its regional centres of commerce, Reading, Slough, Swindon & Oxford all just a short journey away. This success has resulted great business growth in the town and business's expanding at a greater rate than large capacity building can accommodate and currently plan to supply. Some business has been lost to the town and other firms moving staff elsewhere or threatening to leave. Join the debate and help influence opinions, so that this West Berkshire area does not become a commuter town and keep jobs and business local!

We are joined for this event by Nick Carter CEO West Berkshire Council and Tim Smith CEO of Thames Valley Berkshire LEP Ltd and other business leaders for a panel discussion and your opportunity to put questions to the panel.
