

The Future of Transport

Wednesday 23rd January 2019

Marshall Oxford Audi - Oxford

TVCC Host: Tracy-Ann Lee

Topic: The Future of Transport

Speakers: Rob Taylor – Local Business Development Manager at Oxford Audi Cowley
Phil Southall – MD, Oxford Bus Company (and President of Oxford Chamber Council)
Richard Brown – Director of Sales, DAVIS Licence Check
Dr George Economides – Team Leader for Connected and Autonomous Vehicles at Oxfordshire County Council

The future of transport encompasses everything from technological updates, current regulations, mobility as a service (MAAS) to infrastructure. Discover the future of technology within the transport system and how it will have an impact on your business.

A range of keynote speakers will deliver talks including the latest technology in a leading German Automotive Manufacturing range, what the future looks like for The Public Transport Industry, new technologies to make “driving” safe, and current autonomous vehicles projects in the region.
