Film, Television and Audio Visual: Thames Valley – the UK's Creative Heart
Friday 18th March 2022

Dominique Unsworth MBE
Director & CEO
Resource Productions

CIC For 20 years, Dom has provided creative and cultural consultancy and training, and produced short films and digital art, through Slough-based social enterprise Resource Productions.

Dom's passionate about inclusion within the Creative Industries and supports diverse regional talent, crew and artists. Dom is developing new creative sector technical standards in her voluntary role as national SME Apprenticeship Ambassador. She is Arts and Culture representative at the Thames Valley Slough Chamber and a community sector representative on TVBLEP Forum.

Dom established Berkshire Film Office in partnership with six unitaries and develops broadcast commissions alongside a feature film slate.

Dom received a BEM for her services to young people, community groups and the Arts in 2014 and was recently awarded an MBE for services to Apprenticeships in the New Year honours list.
