Dear Paul,

Thank you for getting in touch following my appointment to Shadow Minister of State for Rail. I'm delighted to be taking on this role at such a crucial time for the future of rail travel.

Recent years have undoubtedly been a challenge for the industry, but I am excited to work with the sector to bring infrastructure fit for the century ahead, deliver transformational projects to unlock investment across the country, follow through on our net zero commitments and put passengers at the heart of our railways.

As you may suspect, the past few weeks have been extremely busy. As a team, we will now be going through invitations and requests for the coming months, and we will be back in touch with you soon.

In the meantime, if you have anything you wish to share with myself please feel free to send it to my researcher Stephen Dillon (stephen.dillon@parliament.uk) and he will ensure that I see it.

Once again, thank you for getting in touch. I look forward to working with you to improve our rail network for the benefit of all.

Yours sincerely,

Stephen Morgan MP
