Dear Sir/Madam

**West Berkshire Local Plan Review Proposed Submission (Regulation 19) Consultation**

I am pleased to enclose a report and representation forms for the consultation on the West Berkshire Local Plan Review Proposed Submission (Regulation 19).

I trust this meets the requirements and look forward to receiving receipt in due course.

We would delighted to have the opportunity for a dialogue with your planning and economic development team to discuss these representations in detail and to further explore our suggestions in a positive context. I look forward to hearing from you in that regard.

Yours sincerely

**Paul Britton**  
**Chief Executive**
