

COMMITMENT TO THE COMMUNITY

This award recognises and celebrates businesses who demonstrate an outstanding contribution and exceptional commitment to the community.

The category is open to any organisation, irrespective of size or sector that can demonstrate commercial success and strategies for growth whilst achieving excellence in its commitment to the community. The organisation must show evidence that it has schemes, initiatives and policies which have maximum positive impact on local communities.

Whether a group from the voluntary or not-for-profit sector, an invaluable individual or a community minded business, they will have inspired others, been proactive in their community and have gone that extra mile in giving their time and enthusiasm.
