INFRASTRUCTURE  
Friday 20th March 2026

Ruth chairs the Chamber's Western Rail Link to Heathrow Working Group, promoting a project she instigated in 2008, contributes to the Chamber's responses on infrastructure and sits on the BCC's Infrastructure Strategy Group.

After a long local government career including 16 years as a Chief Executive, Ruth has a portfolio life. She holds three board roles in health, higher education and housing and provides consultancy advice on public:private partnerships.

She is one of the LGA panel of independent investigators available to undertake mediation and investigations into senior employment matters in local government. In 2022 she was an Assistant Commissioner for England's review of Parliamentary boundaries.
