THAMES VALLEY ASSEMBLY (TVA) TERMS OF REFERENCE

The TVCC hosts a region-wide Thames Valley Assembly (TVA), the aim of which is to support member engagement, on strategic policy issues, themes, and sector priorities across the Thames Valley. The TVA is a critical component of TVCC's strategic policy and sector-based work in supporting regional representation and global opportunity, ensuring the independent voice of business for the Thames Valley is heard.

Objective

The purpose of the TVA is to provide an open, transparent, and apolitical forum that encourages its members to bring forward regional policy issues and constructively debate sector and theme related issues affecting business.

Its objective is to provide a balanced and informed opinion on those issues to help shape and frame the annual Business Manifesto (BM) and the wider strategic policy direction of the TVCC.

Terms of Reference

2. To represent the independent voice of business.
3. Through debate, to help inform the priorities of the annual BM.
4. To regularly review progress and support the delivery of the BM.
5. To consider specific priorities relating to the BM or referred to the TVAA by the TVCC Executive or Board and, where relevant, TVA members.
6. To provide comment on specific consultations or media requests as they relate to the BM.
7. Where invited, to act in an Advisory role, only, to the TVCC Board
8. At all times, to maintain confidentiality with respect to the matters and information to which the BM and TVA have access and are discussing.
9. At all times, to maintain and uphold the integrity and professional standards of the TVCC and BCC.
