## Osaka Invites You

We are delighted to invite international buyers worldwide interested in exploring the opportunities that Osaka's companies offer. Osaka is home to over 250,000 business entities, with more than 99% being SMEs—the second-largest business hub in Japan after Tokyo. Among these SMEs are companies boasting global market share and established businesses with over 100 years of history.

## Why Osaka? Why Now?

We invite you to participate in face-to-face business meetings in this vibrant city, which is experiencing accelerated economic development following the momentum of EXPO2025 and the upcoming Japan's first Integrated Resort in 2030.

## Event Overview

### Day One (October 14<sup>th</sup> 2026)

- Briefing session on Osaka's business landscape and participating SMEs- Individual one-on-one business meetings with selected companies
- Visit to business matching exhibition

### Day Two (October 15<sup>th</sup> 2026)

- Individual one-on-one business meetings with selected companies
- Guided tours of Osaka's business facilities and partner companies

## Program Background

Our first "GO GLOBAL OSAKA 2025" program, launched as a legacy initiative of Osaka Expo 2025, received outstanding positive feedback from all participants. Building on this success, we are now planning an enhanced version of the program for 2026.

## Our Objectives

The program maintains its core mission: to provide foreign buyers in "wellness sector" (for this year) with opportunities to access unrevealed unique products and/or technologies that Osaka/Japan's enterprises can offer.

We are also exploring opportunities to expand the program's scale in the coming years to reach more companies and create greater business impact.

## Request for Your Cooperation

As our valued international partner, we would like to invite you to recommend one qualified international buyer to participate in the 2026 GO GLOBAL OSAKA program.

## Ideal Candidate Profile

We are seeking buyers who meet the following criteria:

- Are available October 14-15, 2026
- Have genuine interest in importing Japanese wellness products
- Are decision-makers or key purchasing executives/managers at their companies
- Are reliable, professional partners committed to long-term business relationships
- Are committed to full participation
- Are able to communicate in English\* (\*interpreter of preferred language will be provided for business meetings)
- **Example relevant sectors: Age-tech, Wellness devices, Healthy sweets / snacks, Special food for elderly people (who cannot chew etc), Pet related products (food, device etc), New materials (wellness related), Cosmetics**

Participating buyers will be asked to identify the wellness products they wish to import from Japan and provide detailed information about their requirements. This detailed information enables us to match them with the most appropriate Osaka-based suppliers for targeted, in-person meetings.

## Additional Opportunity

We would also like to invite one representative from your organization to accompany your recommended buyer during the program. This presents an excellent opportunity to:

- Share our program details and progress with valued partners
- Gather feedback for future program development
- Strengthen our partnership through direct experience

## What We Offer

- Round-trip airfare\*
- 3 nights' accommodation,
- Local transportation
- Interpretation Japanese - buyer's preferred language for business meetings
